

FOREWORD

STANPART Accessories are designed to fulfil two basic requirements; to enhance the styling and elegance of the car, and increase the comfort and safety of travelling.

All STANPART Accessories are given vigorous test before they are accepted and where possible individually styled to suit the model. This ensures economy in fitting and efficiency in operation.

Always ensure that genuine STANPART Accessories are fitted to your car, they are fully guaranteed by the Standard Motor Company.

(For comprehensive price list and conditions of sale, see separate leaflet).

SPOT LAMP

Part No 501111

Suitable for the Vanguard I, II and III models.

Part No. 501703

Suitable for the 8 h.p., 10 h.p., and TR. Sports Models.

Finished in heavy chrome, producing a beam of 100,000 candle power allowing a greater safety margin when travelling at night.

FOG LAMP

Part No. 61359

Suitable for the Vanguard I, II & III models.

Part No. 501702

Suitable for the 8 h.p., 10 h.p. and TR. Sports Models.

Finished in heavy chrome, an ideal companion for the Spot Lamp, it provides a flat top beam of 80,000 candle power. An essential for Winter travel.

REVERSING LIGHT

Part No. 502251

Suitable for the 8 h.p., 10 h.p., and TR. Sports models

Finished in chrome, this lamp gives maximum vision for reversing. Strongly recommended to be fitted in pairs on the off-side and near-side rear of the car.

HUB COVER PLATES

Part No. 106450
