Heidelberg Train Race

from John Dobbins

On Heritage Day the Club joined up with other Vintage and Classic car and motor cycle enthusiasts at the Heidelberg airfield for an event organised by the local Heritage Museum (old Train Station) with the idea of paying homage to the train race Bentley.

THE AMAZING CONCLUSION:

The higher you go in the corporate structure, the smaller your balls become.

Three dead bodies turn up at the mortuary, all with very big smiles on their faces.

Along with them comes a police inspector to find out how they died.

"First body: Frenchman, 60. Died of heart failure while making love to his mistress. Hence, the enormous smile, Inspector," says the Coroner.

"Second body: Scotsman, 25. Won a thousand pounds on the lottery. Spent it all on whiskey. Died of alcohol poisoning. Hence the smile."

The Inspector asks, "What of the third body?"

"Ah," says the Coroner, "this is the most unusual one. Sipho, a street sweeper from Soweto, 30. Struck by lightning." "Why is he smiling then?" inquires the Inspector.

"Thought he was having his picture taken."

80 year old man: My 28 year old wife is pregnant, your opinion Doctor?

Doctor: Let me tell you a story. A hunter in a hurry grabs an umbrella instead of the gun. He moves into the jungle, sees a lion, lifts the umbrella, pulls the handle and BANG... The lion drops dead!

Old man: That's impossible; someone else must have shot the lion.

Doctor: MY POINT EXACTLY!
