

TRIUMPH SPORTS CART CLUB OF SOUTH AFRICA JOHANNESBURG CENTRE

The TSCCSA was originally formed as the TR Register but in 1977 it was expanded to include all Triumph Sports Cars and now cater for all cars. The Club has centres nationwide whose enthusiastic members congregate for a bi-annual National Gathering, organized by the host centre. The Club maintains contact with overseas clubs, e.g. TR Register, The Triumph Sports Six Club and the Stag Club.

The Johannesburg centre meet on the third Saturday of each month, where ideas are shared over a cordial “Noggin and Natter”. Regular outings are arranged to promote interaction between members and to encourage use of their cars. These range from social gatherings to low-key competitive motoring events. A monthly newsletter is e-mailed to members each month.

Completion of the SAMCA (South African Motor Club Association) Indemnity is compulsory for all members. Download Indemnity http://www.triumphclub-joburg.co.za/SAMCA_Indemnity_Form.pdf

The Club offers a very competitive comprehensive insurance scheme for Triumphs, which are not used for commuting purposes. Amongst the members there is a technical knowledge regarding the cars, and this is regularly divulged through the Clubs’ national magazine “SABRINA” and members are often willing to share their experiences and expertise with others.

Why should a Triumph owner (or non-owner) join the Club?

By joining the Club you stand the best chance of finding out what is available, getting the best for your money and enjoying events with your Triumph friends, usually on the 4th Sunday of month.

The TSCCSA is more than a club of cars – it is a club of people, and family members are welcome to join in.

How do I join the TSCCSA?

Call, or e-mail, one of the committee members listed above.
