

John Dobbins

1974 CR Series TR6

Florida ,North West of Johannesburg

Build date 16 May 1974, Delivery date 18 September 1974 to RJ Mansell who was Triumph employee, UK registration NWK303N (I still have the original UK log book and purchase documentation and the purchase price was 1559-96 pounds), arrive in SA on the Pendennis Castle on 7 March 1975, GT Schoemaker purchased the car on 27 July 1978 who resold it to M Labuschagne on 18 November 1978, I purchased the car from Marius on 15 September 1981 and registered her NP1666 which I subsequently changed to TR6ZN when personalised numbers became available. When I purchased her she had done 87k miles and she now sits on 114k miles with most of those miles being done on club runs all around South Africa.

Weekend use only.

Totally standard spec TR6 with soft top, carpets, seat covers and clutch having been replaced overtime.

I restore and service classic cars as a retirement business and presently have a Triumph Italia and a TR5 as work in progress for restoration.

My stable of cars changes frequently and presently have a Classic 2 door Range Rover and a low Km SLK Compressor.
